### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Referring to claim 1, Prior Art fails to disclose each second type station containing a first protocol detect flag cleared upon initialization, a first protocol signaled flag cleared upon initialization, a first protocol detect timer, a first protocol signaled timer, and a periodic link indication timer with a link indication period common to all second type stations, and redefining the first protocol frame format to provide an updated first protocol frame header wherein two reserved bits in the first protocol frame header are allocated as a mode selection indicator field in the updated first protocol frame header, the mode selection indicator field having meaning for second type stations to include for the two reserved bits in combination with the limitation set forth in the respective claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chirag G Shah whose telephone number is 571-272-3144. The examiner can normally be reached on M-F 8:00 to 4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wellington Chin can be reached on 571-272-3134. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
